Jesus, you have told us in these books many
things, before they happen, so that
when they do happen we may believe.
You have told us how you will re-
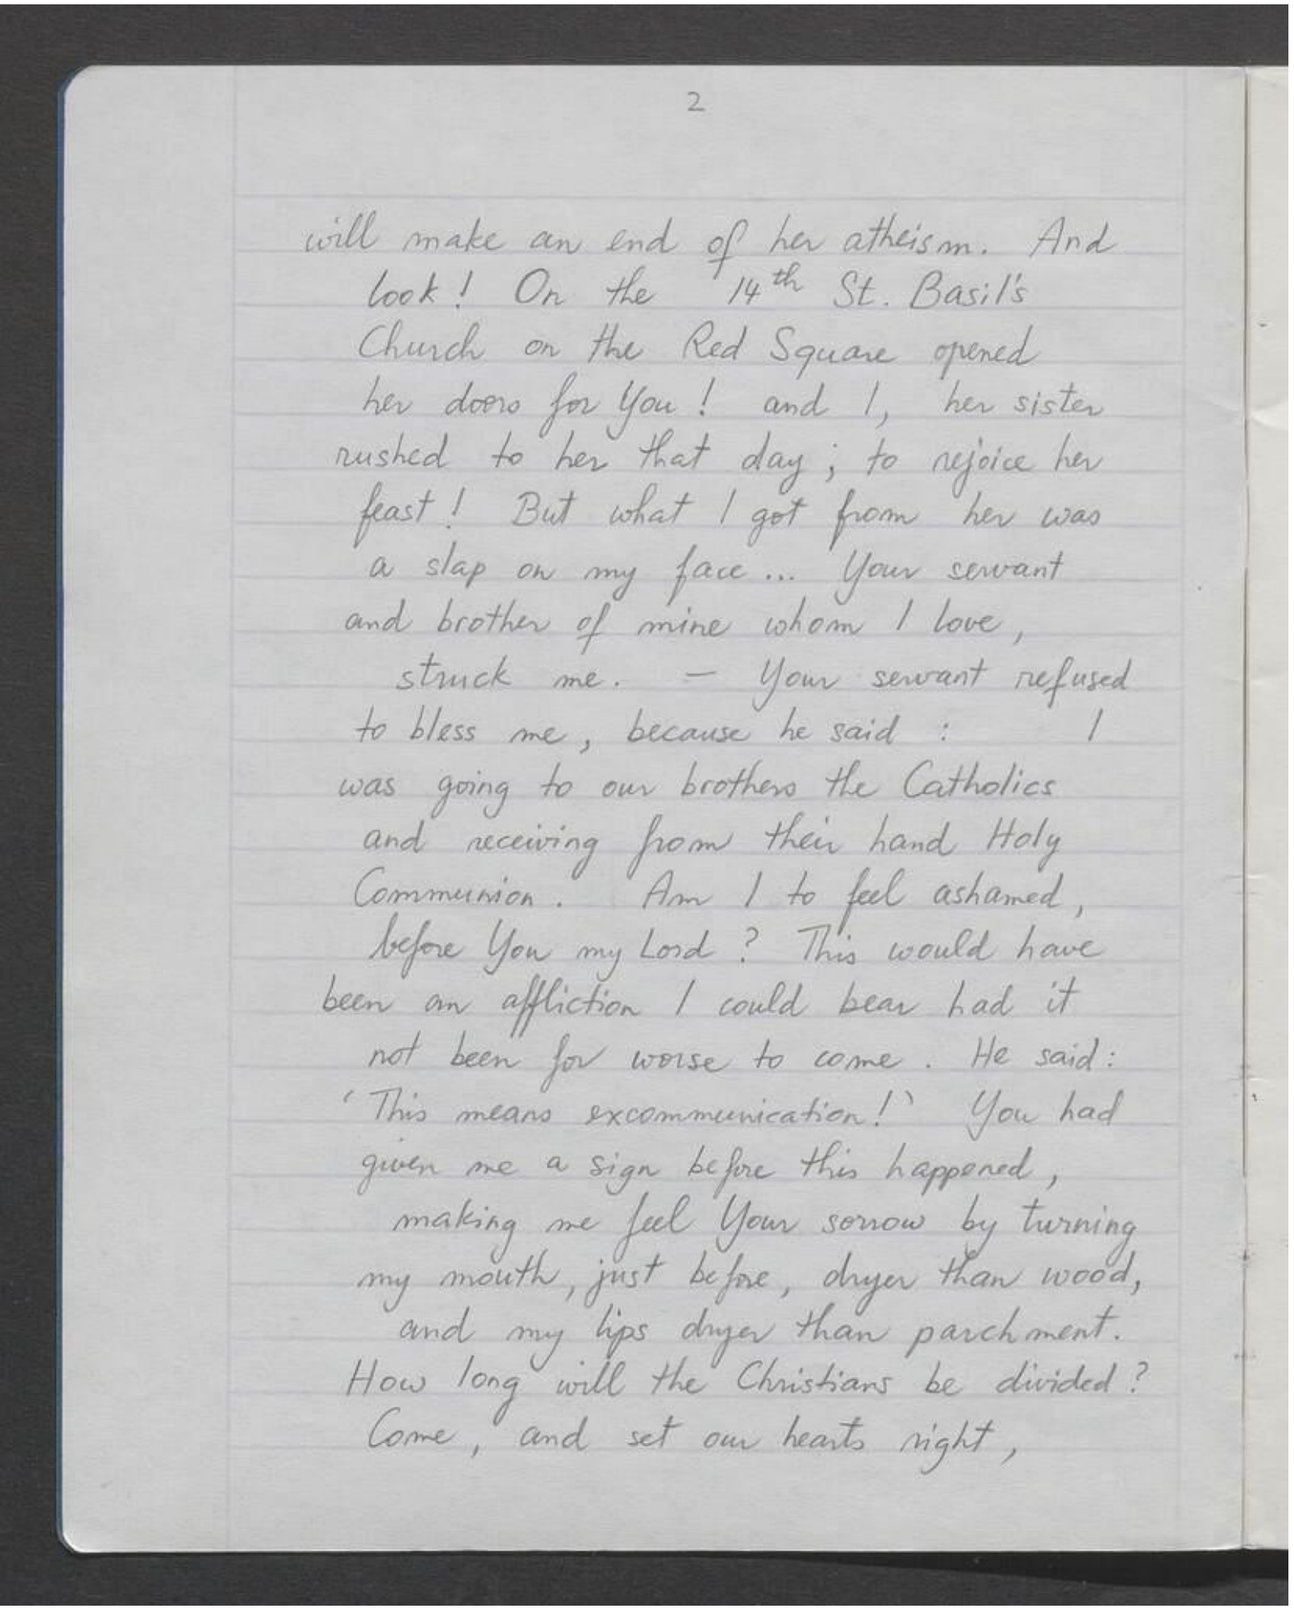
surrect my sister Russia, and how you



will make an end of her atheism. And
look! On the 14th St. Basil's
Church on the Red Square opened
her doors for You! and I, her sister
rushed to her that day; to rejoice her
feast! But what I got from her was
a slap on my face ... Your servant
and brother of mine whom I love,
struck me. - Your servant refused
to bless me, because he said: I
was going to our brothers the Catholics
and receiving from their hand Holy
Communion. Am I to feel ashamed,
before You my Lord? This would have
been an affliction I could bear, had it
not been for worse to come. He said:
'This means excommunication!" You had
given me a sign before this happened,
making me feel Your sorrow by turning
my mouth, just before, dryer than wood,
and my lips dryer than parchment.
How long will the Christians be divided?
Come, and set our hearts right,

an occasion to be struck and humilia-

and kiss the cross he held and the
hand that just struck me.
Vassula, your pain is nothing compared to

there is hope for reconciliation; soon, I
shall overwhelm you with a great Miracle,*

I have given you an immortal soul;
